Frictionless Ramp Lab

$$(V_i = 0)$$

$$g = a / \sin \theta$$

2. Conservation of Energy
$$g = V_f^2 / 2h$$

$$g = V_f^2 / 2h$$

3. Work Energy Theorem
$$g = V_f^2 / 2\Delta d \sin \theta$$

$$g = V_f^2 / 2\Delta d \sin \theta$$
